ARTICLE II - CARD ACCEPTANCE**2.1 Honoring Cards.**

Merchant will accept all valid Cards when properly presented by Cardholders in payment for goods or services, subject to applicable Card Brand rules requiring Merchant to elect whether it will accept credit only, debit only or both debit and credit Cards. Merchant's election is set forth in the Application Form. Merchant may not establish minimum or maximum amounts for Card sales as a condition for accepting any Card.

Merchant may not require any Cardholder to pay as a surcharge any part of any discount or charge imposed upon Merchant by this Agreement, whether through any increase in price or otherwise require a Cardholder to pay any charge or price as a condition of sale that is not also required from a customer paying cash. Notwithstanding the foregoing sentence, Merchant may impose a surcharge on certain Card Transactions, but only where permitted by federal law, state law and the Card Brand rules. Merchant (and not Servicer) is solely responsible for ensuring that it is permitted by federal law, state law and the Card Brand rules to impose a surcharge. Merchant may be required to provide notification to the Card Brands if it imposes a surcharge and hereby authorizes Servicer to provide such notification and furnish any necessary documentation, on Merchant's behalf, to the Card Brands.

However, Merchant may not, by this term, be prevented from offering discounts to Cardholders for cash purchases. Merchant may not engage in a Transaction (other than a mail, internet, telephone order, or preauthorized sale to the extent permitted under this Agreement) if the person seeking to charge the purchase to his or her Card account does not present the Card to permit Merchant to compare the signature on the Card to the signature on the Sales Draft and obtain an Imprint or otherwise use the physical Card to complete the Transaction.

2.2 Advertising.

Merchant will prominently display the promotional materials provided by Servicer in its place(s) of business. Merchant's use of promotional materials and use of any trade name, trademark, service mark or logo type ("Marks") associated with a Card is limited to informing the public that the Card will be accepted at Merchant's place(s) of business. Merchant's use of promotional materials and Marks is subject to the Servicer's direction. Merchant may use promotional materials and Marks only during the term of this Agreement and will immediately cease use and return any inventory to Servicer upon termination thereof. Merchant may not use any promotional materials or Marks associated with Visa, American Express, Discover, Mastercard and UnionPay in any way which suggests or implies that either endorses any goods or services other than payment Card services. Merchant is required to display UnionPay service hotline at Merchant's place of business.

2.3 Card Acceptance.

When accepting a Card, Merchant will follow the steps provided by Servicer for accepting Cards and will: (a) determine in good faith and to the best of its ability that the Card is valid on its face; (b) obtain Authorization from the Card Issuer to charge the Cardholder's account; (c) unless the Sales Draft is electronically generated or is the result of a mail, internet, phone or preauthorized order, (i) obtain an Imprint of the Card including embossed data from the merchant imprinter plate; and (ii) obtain the Cardholder's signature on the Sales Draft and compare that signature to the signature on the Card; (d) enter a description of the goods or services sold and the price thereof (including any applicable taxes); (e) deliver a true and completed copy of the Sales Draft to the Cardholder at the time the goods are delivered or services performed, or, if the Sales Draft is prepared by a point-of-sale terminal, at the time of the sale; (f) offer the Sales Draft to Servicer for purchase according to Servicer's procedures and the terms of this Agreement; and (g) make a Card Imprint, if the Transaction is not based upon a mail, internet, phone or pre-authorized order.

2.4 Authorization.

Merchant will obtain an Authorization for all Card sales. If Merchant cannot, for any reason, obtain an electronic Authorization through the use of a terminal, Merchant will request a Voice Authorization from Servicer's designated authorization center and will legibly print the authorization number on the Sales Draft. Merchant will not obtain or attempt to obtain authorization from Servicer's authorization center unless Merchant intends to submit to Servicer a Transaction for the authorized amount if Authorization for the Transaction is given. Merchant may not divide a single Transaction between two or more Sales Drafts on a single Card to avoid Authorization limits that may be set by the Card Issuer. The Merchant shall not use Sales Drafts (paper or electronic), for purposes outside of the scope of the Merchant Agreement, nor shall a third party not included in the agreement be allowed to use them. Merchant acknowledges that an Authorization provides only that the Cardholder account has sufficient credit available to cover the amount of the current sale and that an Authorization is not a guarantee that the Transaction will not be subject to dispute or Chargeback and does not warrant the Cardholder's identity. Merchant may not attempt to obtain an authorization by successively decreasing the sale amount. Servicer may refuse to purchase or process any Sales Draft presented by Merchant: (a) unless a proper authorization or approval code has been recorded on the Sales Draft; (b) if Servicer determines that the Sales Draft is or is likely to become uncollectible from the Cardholder to which the transaction would otherwise be charged; or (c) if Servicer has reason to believe that the Sales Draft was prepared in violation of any provision of this Agreement. Merchant will use, and may not circumvent, fraud identification tools requested by Servicer, including Address Verification System processing and CVV2/CVC2/CID processing, and acknowledges that the use of these tools may prevent Merchant from accepting certain Cards as payment. Merchant acknowledges that its use of fraud identification tools may not prevent fraudulent Card usage, and agrees that any fraudulent Transaction may ultimately result in a Chargeback, for which Merchant retains full liability under this Agreement.

2.5 Retention and Retrieval of Cards.

Merchant will use its best efforts, by reasonable and peaceful means, to retain or recover a Card when receiving such instructions when making a request for Authorization or if Merchant has reasonable grounds to believe the Card is counterfeit, fraudulent or stolen. Merchant's obligations under this section does not authorize a breach of the peace or any injury to persons or property, and Merchant will hold Servicer harmless from any claim arising from any injury to person or property or other breach of the peace in connection with the retention or recovery of a Card.

2.6 Multiple Transaction Records; Partial Consideration.

Merchant may not prepare more than one Sales Draft for a single sale or for a single item but will include all items of goods and services purchased in a single Transaction in the total amount on a single Sales Draft except under the following circumstances: (a) for purchases in separate departments of a multiple department store; (b) For partial payment, installment payment, delayed

delivery or an advance deposit; or (c) for delayed or amended charges governed by rules for travel and entertainment merchants and Transactions.

2.7 Telephone Orders, Mail Orders, Internet, Preauthorized Orders and Installment Orders.

Unless Merchant has been approved by Servicer to accept mail, internet or telephone orders, Merchant warrants that it is a walk-in trade business, located in a retail business place where the public moves in and out freely in order to purchase merchandise or obtain services. If Servicer determines Merchant has accepted unapproved Card Transactions which are placed by telephone, generated through telephone solicitation, mail order or other means that does not create a Sales Draft that bears the Card imprint and Cardholder's signature, this Agreement will be immediately terminated and the value of all Sales Drafts collected from the first day of processing may be charged back to Merchant and all funds therefrom held as provided in Article IV. Unless approved by Servicer, this Agreement does not contemplate regular acceptance of Cards for sales accepted by mail, internet or telephone nor through preauthorized orders. If an occasional Card Transaction is made by mail, phone or preauthorized order, the Sales Draft may be completed without the Cardholder's signature or an Imprint, but in such case Merchant will create a sales slip containing Cardholder data, an Authorization number, the sale amount and the letters "MO", "TO" or "PO", as appropriate. Receiving an Authorization will not relieve the Merchant of liability for Chargeback on any Transaction for which the Merchant did not obtain an Imprint or the Cardholder's signature.

2.8 Lodging and Vehicle Rental Transactions.

Merchant must estimate and obtain Authorization for the amount of the Transaction based upon the Cardholder's intended length of stay or rental. Additional Authorization must be obtained and recorded for charges actually incurred in excess of the estimated amount. Regardless of the terms and conditions of any written preauthorization form, the Sales Draft amount for any lodging or vehicle rental Transaction must include only that portion of the sale, including any applicable taxes, evidencing a bona fide rental of real or personal property by Merchant to the Cardholder and may not include any consequential charges. Nothing contained herein is intended to restrict Merchant from enforcing the terms and conditions of its preauthorization form through means other than a Card Transaction.

2.9 Returns and Adjustments; Credit Vouchers.

Merchant's policy for the exchange or return of goods sold and the adjustment for services rendered will be established and posted in accordance with operating regulations of the applicable Card Brand's regulations. Merchant will disclose, if applicable, to a Cardholder before a Card sale is made, that if merchandise is returned: (a) no refund, or less than a full refund, will be given; (b) returned merchandise will only be exchanged for similar merchandise of comparable value; (c) only a credit toward purchases will be given; or (d) special conditions or circumstances apply to the sale (e.g., late delivery, delivery charges, or other non-credit terms). If Merchant does not make these disclosures, a full refund in the form of a credit to the Cardholder's Card account must be given. Disclosures must be made on all copies of Sales Drafts or invoices in letters approximately 1/4" high in close proximity to the space provided for the Cardholder's signature or on an invoice issued at the time of the sale or on an invoice being presented for the Cardholder's signature. Any change in Merchant's return or cancellation policy must be submitted in writing to Servicer not less than 14 days prior to the change. Servicer may refuse to process any Sales Draft made subject to a revised return or cancellation policy of which Servicer has not been notified as required herein.

2.10 Cash Payments.

Merchant may not receive any payments from a Cardholder for charges included in any Transaction resulting from the use of any Card nor receive any payment from a Cardholder to prepare and present a Transaction for the purpose of affecting a deposit to the Cardholder's Card account.

2.11 Cash Advances; Scrip Purchases.

Merchant may not deposit any Transaction for the purpose of obtaining or providing a cash advance either on Merchant's Card or the Card of any other party and may not accept any Card at a scrip terminal, and either action will be grounds for Servicer's immediate termination of this Agreement.

2.12 Duplicate Transactions.

Merchant may not deposit duplicate Transactions. Servicer may debit Merchant for any adjustments for duplicate Transactions and Merchant is liable for any Chargebacks resulting therefrom.

2.13 Deposit of Fraudulent Transactions.

Merchant may not accept or deposit any fraudulent Transaction and may not under any circumstances present for processing or credit, directly or indirectly, a Transaction which originated with any other merchant or any other source other than Transactions arising from bona fide purchases from Merchant for the goods and services for which Merchant has been approved under this Agreement. If Merchant deposits any prohibited Transaction, Servicer may: (a) immediately terminate this Agreement; (b) withhold funds and demand an escrow as provided in this Agreement; (c) report Merchant to Visa, American Express, Discover, Mastercard and UnionPay under Section 4.04. Merchant's employees' actions are chargeable to Merchant under this Agreement.

2.14 Merchant violations.

The following actions are prohibited for Merchant: (i) alteration of the amount on transaction receipts, split transactions, cash out, acceptance of credit cards listed in the card recovery bulletin, excessive usage above the authorized limit, insufficient signature and expiry date checking, refund in cash, late presentment, submitting false transactions to Acquirer, obtaining extra credit from a Card Issuer by using transaction types of pre-authorization, purchase cancellation & purchase cancellation reversal, pre-authorization completion cancellation & pre-authorization completion cancellation reversal etc.

2.15 Collection of Pre-existing Debt.

Merchant may not prepare and present to Servicer for purchase any Transaction representing the refinancing of an existing Cardholder obligation including, but not limited to, obligations: (a) previously owed to Merchant; (b) arising from the dishonor of a Cardholder's personal check or relating to a Chargeback; or (c) representing the collection of any other pre-existing indebtedness, including collection of delinquent accounts on behalf of third parties.

2.16 Data Security/Personal Cardholder Information.

Merchant may not, as a condition of sale, impose a requirement on Cardholders to provide any personal information as a condition for honoring Cards unless such information is required to

provide delivery of goods or services or Merchant has reason to believe the identity of the person presenting the Card may be different than that of the Cardholder. Merchant will not, under any circumstances, release, sell or otherwise disclose any Cardholder Information to any person other than Servicer or the applicable Card Brand, except as expressly authorized in writing by the Cardholder, or as required by law.

(a) Safeguards. Merchant will maintain appropriate administrative, technical and physical safeguards for all Cardholder Information. These safeguards will (a) ensure the confidentiality of Cardholder Information; (b) protect against any anticipated threats or hazards to the security or integrity of Cardholder Information; (c) protect against unauthorized access to or use of Cardholder Information that could result in substantial harm or inconvenience to any Cardholder; and (d) properly dispose of all Cardholder Information to ensure no unauthorized access to Cardholder Information. Merchant will maintain all such safeguards applicable to Merchant or Servicer in accordance with applicable federal and state laws, rules, regulations and guidance. Merchants transacting in electronic commerce must: offer Cardholders secure transaction methods such as SSL or 3-D Secure; install and maintain network firewalls; regularly update security patches; restrict and track employee access to all data relating to Cardholders and Card transaction ("Data"); encrypt all stored Data sent over open networks; use only approved or validated payment software applications; establish policies for properly managing use and allocation of passwords; and consistently assess and revise security systems and processes.

(b) Compliance with Card Brand Rules. Merchant represents, warrants and covenants that it is and will remain throughout the term of this Agreement in compliance with Card Brand bylaws, operating regulations and rules related to data security, data integrity and the safeguarding of Cardholder Information including the Payment Card Industry Data Security Standard ("PCI") (https://www.pcisecuritystandards.org/security_standards/), Visa's Customer Information Security Program ("CISP") (http://usa.visa.com/merchants/risk_management/cisp.html), Discover's Information Security and Compliance (DISC) program (<http://www.discovernetwork.com/merchants/data-security/disc.html>), Mastercard's Site Data Protection Program ("SDP") (http://www.mastercard.com/us/company/en/whatwedo/site_data_protection.html) and the American Express Data Security Requirements ("DSR") (<http://www.americanexpress.com/dsr>) in effect, and Merchant will cause all of its service providers, subcontractors and agents to comply with PCI, SDP, CISP, DSR and DISC requirements at all times. Merchant will report any non-compliance immediately to Servicer. To accomplish the foregoing, Merchant will encrypt all debit, credit or stored value card numbers whether in storage, transport or backup and will not store data security codes on its systems, network or software.

(c) Annual Certification. Merchant will provide an annual certification to Servicer if requested by Servicer (in a form acceptable to Servicer) certifying compliance with the data security provisions of this Agreement, including compliance with applicable Card Brand requirements such as PCI, SDP, CISP, DSR and DISC. Merchant will provide annual certifications for Merchant's service providers, subcontractors and agents.

(d) Information Use Limitations. Merchant may not sell, disclose, or otherwise make Cardholder Information available, in whole or in part, in a manner not provided for in this Agreement, without Servicer's prior written consent. Merchant may, however, disclose Cardholder Information to its service providers, subcontractors and agents who have a need to know such information to provide the Services described in this Agreement, provided that those individuals or entities have assumed confidentiality obligations in accordance with this Agreement, or as may be required by legal process or applicable federal and state laws, rules, regulations and guidance and have entered into a written agreement with Merchant containing Merchant's and such individuals' or entities' agreement to the foregoing data security provisions including compliance with Card Brand rules, regulations or bylaws.

(e) Response to Unauthorized Access. Merchant will notify Servicer within 24 hours after it knows of any breach in security resulting in an unauthorized access to Cardholder Information. Merchant will provide any assistance that Servicer, the issuing bank of any Cardholder, and their regulators and the Card Brands deem necessary to contain and control the incident to prevent further unauthorized access to or use of Cardholder Information. Such assistance may include, but not be limited to, allowing Servicer and Card Brands to use its risk information for normal business practices, preserving records and other evidence and compiling information to enable Servicer and the issuing bank(s) or the Card Brands to investigate the incident and provide assistance and cooperation to: (a) file suspicious activity reports (as applicable); (b) notify their regulators (as applicable); and (c) notify the affected Cardholder (as required). Unless the unauthorized access was due to Servicer's acts or omissions, Merchant will bear the cost of notifying affected Cardholder. Servicer has the right to immediately stop all transactions, enforce rectification and terminate the Merchant Agreement immediately for cause if Merchant trespasses the transaction security protocol or uses mPOS without Servicer's authorization.

(f) Miscellaneous. Merchant may not make a claim against Servicer or hold Servicer liable for the acts or omissions of other merchants, service providers, Card Brands, financial institutions or others that do not have a written contractual relationship with Servicer or over which Servicer has no control. These provisions supplement, augment and are in addition to obligations of indemnification, audit, confidentiality and other similar provisions contained in this Agreement. This Section 2.16 and each of its subsections will survive this Agreement's termination. Merchant may not store in any system or in any manner discretionary Card read data including without limitation CVV2/CVC2/CID data, PIN data, address verification data or any other information prohibited by Card Brand rules. Merchant agrees that Provider may disclose to any Card Brand information regarding Merchant and Merchant's Transactions to any Card Brand, and that such Card Brand may use such information to perform its responsibilities in connection with its duties as a Card Brand, promote the Card Brand, perform analytics and create reports, and for any other lawful business purposes, including commercial marketing communications purposes within the parameters of Card Brand Card acceptance, and transactional or relationship communications from a Card Brand. A Card Brand may use the information about Merchant obtained in this Agreement at the time of setup to screen and/or monitor Merchant in connection with the Card Brand marketing and administrative purposes. Merchant agrees it may receive messages from a Card Brand, including important information about Card Brand products, services, and resources available to its business. These messages may be sent to the mailing address, phone numbers, email addresses or fax numbers of Merchant. Merchant may be contacted at any telephone numbers, including cellular phone numbers, and the communications sent may include autodialed short message service (SMS or "text") messages or automated or prerecorded calls. Merchant agrees that it may be sent fax communications.

As a service provider, ISO acknowledges that it is responsible for the security of Cardholder data it possesses, stores, processes or transmits on behalf of Merchant.

2.17 Compliance with Card Brand Rules.

Merchant will comply with and conduct its Card activities in accordance with all applicable Card Brand rules and regulations. Failure to comply with such rules and regulations may result in Merchant being terminated for cause and listed on various Card Brand and industry databases, including the Consortium Merchant Negative File (CMNF), the CTFM (Combined Terminated Merchant File) and the Merchant Alert to Control High Risk Merchants file ("MATCH"). Merchant may not: (a) accept Cardholder payments for previous Card charges incurred at the Merchant location; (b) establish a minimum or maximum transaction amount as a condition for honoring a Card; (c) require a Cardholder to complete a postcard or similar device that includes the Cardholder's account number, card expiration date, signature, or any other card account data in plain view when mailed; (d) add any surcharge to transactions; (e) add any tax to transactions, unless applicable law expressly requires that Merchant be permitted to impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately); (f) enter into interchange any transaction receipt for a transaction that was previously charged back to Servicer and subsequently returned to Merchant, irrespective of Cardholder approval (Merchant may pursue payment from the Cardholder outside the Card Brand system); (g) accept a card for an unlawful Internet gambling transaction; (h) request or use an account number of any purpose other than as payment for its goods or services; (i) disburse funds in the form of travelers cheques, if the sole purpose is to allow the Cardholder to make a cash purchase of goods or services from Merchant; (j) disburse funds in the form of cash, unless: (i) Merchant is a lodging or cruise line merchant disbursing cash to a Cardholder, (ii) Merchant is dispensing funds in the form of travelers cheques, Cards, or foreign currency, or (iii) Merchant is participating in the Card Brand cash back service; (k) accept a Card for the purchase or scrip; (l) accept a Card for manual cash disbursement; (m) accept a Card to collect or refinance existing debt that has been deemed uncollectible by the Merchant providing the associated goods or services; (n) enter into a Transaction that represents collection of a dishonored check. Merchant will pay all Card Brand fines, fees, penalties and all other assessments or indebtedness levied by Card Brands to Servicer which are attributable, at the Servicer's discretion, to Merchant's Transaction processing or business or (o) charge a convenience fee which does not meet the criteria set by the Card Brand rules.

2.18 Merchant's Business.

Merchant will notify Servicer immediately if it intends to (a) transfer or sell any substantial part of its total assets, or liquidate; (b) change the basic nature of its business, including selling any products or services not related to its current business; (c) change ownership or transfer control of its business; (d) enter into any joint venture, partnership or similar business arrangement whereby any person or entity not a party to this Agreement assumes any interest in Merchant's business; (e) alter in any way Merchant's approved monthly volume, average, or maximum ticket; (f) changes its return policies or to another fulfillment house different from those identified in Merchant Application; or (g) changes to its Account. Merchant will notify Servicer promptly in writing if it becomes subject to any voluntary or involuntary bankruptcy or insolvency petition or proceeding. Merchant's failure to provide notice as required above may be deemed a material breach and will be sufficient grounds for termination of Merchant and for Servicer's exercise of all its rights and remedies provided by this Agreement. If any change listed above occurs, Servicer may immediately terminate this Agreement.

2.19 Merchant's Warranties.

Merchant represents and covenants that: (a) all information contained in the Merchant Application or any other documents delivered to Servicer in connection therewith is true and complete and properly reflects Merchant's business, financial condition and principal partners, owners or officers; (b) Merchant has power to execute, deliver and perform this Agreement, and this Agreement is duly authorized, and will not violate any provisions of law, or conflict with any other agreement to which Merchant is subject; (c) Merchant holds all licenses, if any, required to conduct its business and is qualified to do business in every jurisdiction where it is required to do so; (d) there is no action, suit or proceeding at law or in equity now pending or to Merchant's knowledge, threatened by or against or affecting Merchant which would substantially impair its right to carry on its business as now conducted or adversely affect its financial condition or operations; (e) each Sales Draft presented to Servicer for collection is genuine and is not the result of any fraudulent or prohibited Transaction or is not being deposited on behalf of any business other than Merchant as authorized by this Agreement; (f) each Sales Draft is the result of a bona fide Card Transaction for the purchase of goods or services from Merchant by the Cardholder in the total amount stated on the Sales Draft; (g) Merchant has performed or will perform all of its obligations to the Cardholder in connection with the Card Transaction evidenced thereby; (h) Merchant has complied with Servicer's procedures for accepting Cards, and the Card Transaction itself does not involve any element of credit for any other purposes other than as set forth in this Agreement, and is not subject to any defense, dispute, offset or counterclaim which may be raised by any Cardholder under the Card Brands' rules, the Consumer Credit Protection Act (15 USC §1601) or other relevant state or federal statutes or regulations; and (i) any Credit Voucher which it issues represents a bona fide refund or adjustment on a Card sale by Merchant with respect to which a Sales Draft has been accepted by Servicer.

2.20 False Statements. During the term of this Agreement and for two years following its expiration or termination, Merchant shall not make, publish or communicate to any person or entity or in any public forum any false statements (written or oral) about Servicer, its directors, officers or employees, or its products or services, where such statements harm or are likely to harm the goodwill, reputation, stature or profitability of Servicer or deter others from doing business with Servicer.

ARTICLE III - PRESENTMENT, PAYMENT, CHARGEBACK

3.1 Acceptance.

Servicer will accept from Merchant all Sales Drafts deposited by Merchant under the terms of this Agreement and will present the same to the appropriate Card Issuers for collection against Cardholder accounts. Merchant must transmit Sales Drafts and Credit Vouchers to Servicer or its processing vendor on the same or next business day immediately following the day that such Sales Drafts and Credit Vouchers have been originated. All presentment and assignment of Sales Drafts, collection therefor and reassignment or rejection of such Sales Drafts are subject to the terms of this Agreement and regulations of the Card Brand. Servicer will only provisionally credit the value of collected Sales Drafts to Merchant's Account and reserves the right to adjust amounts collected to reflect the value of Chargebacks (actual and anticipated), fees, penalties, late submission charges, reserve deposits, negative Sales Draft batch deposits and items for which Servicer did not receive final payment.

3.2 Endorsement.

By presenting Sales Drafts to Servicer for collection and payment, Merchant agrees to sell and assign all its right, title and interest in each Sales Draft completed in conformity with Servicer's acceptance procedures and constitutes an endorsement by Merchant to Servicer of such Sales Drafts. Servicer may supply such endorsement on Merchant's behalf.

3.3 Prohibited Payments.

Servicer may receive payment of any Sales Draft presented by Merchant and paid by Servicer unless and until there is a Chargeback. Unless specifically authorized in writing by Servicer, Merchant may not collect or attempt to collect any Sales Draft, including Chargebacks, and will hold in trust for Servicer and promptly deliver in kind to Servicer any payment Merchant receives, in whole or in part, of the amount of any accepted Transaction, together with the Cardholder's name and account number and any correspondence accompanying payment.

3.4 Chargebacks.

Merchant will accept for chargeback any sale for which the Cardholder disputes the validity of the sale according to prevailing Card Brand regulations, or a Card Issuer or Servicer determines that Merchant has in any way failed to comply with Card Brand regulations or Servicer's procedures in accepting a Card and presenting the resulting Sales Draft to Servicer for purchase. Section 2.03 notwithstanding, Servicer may charge back the amount of a Card sale for which the Cardholder disputes that authorizing the charge if Merchant failed to obtain the Card Imprint or the Cardholder's signature. Merchant may not initiate a sale Transaction in an attempt to collect a Chargeback. Merchant will pay the current published fees for each Chargeback as listed on Schedule A of the Merchant Application.

3.5 Reserve Account.

Notwithstanding anything to the contrary in this Agreement, Servicer may establish (without notice to Merchant) and Merchant agrees to fund a non-interest bearing reserve account (the "Reserve Account"), or demand other security or raise any discount, transaction or other fees. This account may be established at any time or for any reason. Specific examples might include: (a) Merchant engages in any charge processing that creates an overcharge to a Cardholder by duplicating charges; (b) any activity designed by Merchant to circumvent a "call center" message when attempting to process a transaction; (c) Merchant breaches this Agreement, violates any representation, covenant or warranty herein, violates any applicable Card Brand rule or applicable law; (d) Merchant's application is in any way inaccurate or becomes inaccurate subsequent to Servicer's approval of the application; (e) Merchant changes its type of business without Servicer's prior written approval; (f) fraud, Merchant processes an unauthorized charge, or other action that violates Servicer's applicable risk management standards or is likely to cause a loss; (g) Merchant has chargebacks exceeding 1% of the total number of transactions completed by Merchant in any 30 calendar day period; (h) excessive numbers of requests from consumers or issuing Servicers to retrieve documentation; (i) Merchant's financial stability is in question or Merchant ceases doing business; or (j) Merchant terminates this Agreement. Once the Reserve Account is established, collected funds will be placed in the Reserve Account. Before releasing funds after this Agreement is terminated, Merchant will pay any equipment cancellation fees and any outstanding charges, losses or amounts, and Chargebacks for which Merchant has provided indemnification under this Agreement. Further, Servicer may require Merchant to deposit additional amounts based upon Merchant's processing history and/or anticipated risk of loss to Servicer into the Reserve Account. Once established, unless Servicer determines otherwise at its sole discretion, the Reserve Account will remain in place for 180 days and a reasonable period thereafter during which Cardholder disputes may remain valid under applicable Card Brand rules. The provisions of this Agreement relating to account debits and credits apply to the Reserve Account and survive this Agreement's termination until Servicer terminates the Reserve Account. Any balance remaining after chargeback rights have expired and all of Servicer's other expenses, losses and damages have been paid will be disbursed to Merchant.

ARTICLE IV - TERMINATION AND EFFECT OF TERMINATION

4.1 Term.

This Agreement will be effective once Servicer accepts it, and unless otherwise terminated in accordance with Section 4.2 below, will continue for three years and will automatically renew for successive one-year terms, unless Merchant provides written notice of non-renewal at least 60 days before the end of the then-current term.

4.2 Termination.

(a) Without Cause. Servicer may terminate this Agreement, without cause, upon 30 days advance written notice to Merchant. Merchant may terminate, without prior notice, this Agreement in the three (3) day period following Servicer's acceptance of the Merchant Application (the "Cooling Off Period").

(b) For Cause. Servicer may terminate this Agreement in its sole discretion, effective immediately, upon written or verbal notice, or by closing Merchant's point-of-sale terminal, if Servicer reasonably determines that any of the following conditions exists: (i) Merchant has violated any provision of this Agreement; (ii) there is a material adverse change in Merchant's financial condition; (iii) if any case or proceeding is commenced by or against Merchant under any federal or state law dealing with insolvency, bankruptcy, receivership or other debt relief; (iv) any information which Merchant provided to Servicer, including Application Form information, was false, incomplete or misleading when received; (v) at any time during the term of this Agreement, Merchant has had a monthly ratio of Chargebacks to total transactions exceeding Card Brand requirements or 1%, or Chargebacks exceed 3% of any monthly dollar amount of total transactions; (vi) an overdraft in the settlement account exists for more than three days; (vii) Merchant or any of Merchant's officers or employees has been involved in processing transactions arising from fraudulent or otherwise unauthorized transactions; (viii) Merchant is or will be unable or unwilling to perform its obligations under this Agreement or applicable law; (ix) Merchant has failed to timely pay Servicer any amount due; (x) Merchant has failed to promptly perform or discharge any obligation under its settlement account or the Reserve Account; (xi) any of Merchant's representations or warranties made in connection with this Agreement was not true or accurate when given; (xii) Merchant has defaulted on any agreement it has with the Servicer; (xiii) Servicer is served with legal process seeking to attach or garnish any of Merchant's funds or property in Servicer's possession, and Merchant does not satisfy or appeal the legal process within 15 days of such service; (xiv) any Card Brand rules are amended in any way so that the continued existence of this Agreement would cause Servicer to be in breach of those rules; (xv) any guaranty supporting Merchant's obligations is revoked, withdrawn, terminated or altered in any way; (xvi) if any circumstances arise regarding Merchant or its business that create harm or loss of goodwill to any Card Brand; (xvii) termination is necessary to prevent loss to Servicer or Card Issuers; (xviii) Merchant's type of business indicated on the Application Form or as conducted by Merchant could

endanger the Servicer's safety or soundness; (xix) Merchant's owner, officer, guarantor, or corporate entity has a separate relationship with the Servicer and that relationship is terminated; (xx) Merchant appears on any Card Brand's security reporting; or (xxi) Servicer's security for repayment becomes impaired; (xxii) failure to comply with the Servicer's requirements repeatedly and refusal to remedy any violations; (xxiii) Merchant delays the response to inquiries or the fulfillment of retrieval requests deliberately or without good reason; or (xxiv) Merchant incurs an increased risk due to other activities of the Merchant.

4.3 Effect of Bankruptcy.

Any account or security held by Servicer will not be subject to any preference, claim or stay by reason of bankruptcy or similar law. The parties expressly agree that the acquisition of Card Transactions hereunder is a financial accommodation and if Merchant becomes a debtor in any bankruptcy or similar proceeding, this Agreement may not be assumed or enforced by any other person and Servicer will be excused from performance hereunder.

4.4 Effect of Termination.

When termination becomes effective, the parties' rights and obligations existing under this Agreement survive. If this Agreement is terminated, regardless of cause, Servicer may withhold and discontinue the disbursement for all Cards and other Merchant Transactions in the process of being collected and deposited. If Merchant is terminated for cause, Merchant acknowledges that Servicer may be required to report Merchant's business name and the names and other identification of its principals to the MATCH file maintained by Visa, Mastercard American Express and/or the CMNF file maintained by Discover. Merchant expressly agrees and consents to such reporting if Merchant is terminated for any reason requiring listing on the MATCH file or CMNF. Merchant waives and will hold harmless Servicer from any claims that Merchant may raise as a result of Servicer's MATCH file reporting, or Discover's CMNF reporting. Merchant will also immediately cease requesting Authorizations. If Merchant obtains any Authorization after termination, the fact that any Authorization was requested or obtained will not reinstate this Agreement. Further, Merchant will return all Servicer property, forms, or equipment. All obligations for Transactions prior to termination (including payment for Chargebacks and Servicer's expenses relating to Chargebacks) survive termination. Servicer is not liable to Merchant for damages (including prospective sales or profits) due to termination. Following termination, Merchant will upon request provide Servicer with all original and electronic copies of Sales Drafts and Credit Vouchers that have been retained by Merchant as of the date of termination. Upon termination, any amounts due to Servicer will accelerate and be immediately due and payable, without any notice, declaration or other act whatsoever by Servicer. Servicer shall terminate the acceptance of Cards by Merchant upon the termination of the Merchant Agreement. The parties agree that if for any reason other than a material uncured breach by ISO, this Agreement is terminated after the Cooling Off Period but before completion of the then-current term, Merchant shall be liable for de-conversion fees in accordance with the following terms: (a) if the Average Processing Volume ("APV") is equal to or exceeds \$25,000 per month, Merchant will pay a flat fee of \$495; (b) if, during the total number of months processed, up to a maximum of the last 12 months, the APV is less than \$25,000 per month, Merchant shall pay ISO a flat fee of \$395. APV means the average processing volume of the Merchant calculated over the total number of months processed, up to a maximum of 12 months and based on all credit and debit card transactions and based on a minimum of \$1 transaction during the calendar month.

4.5 Data After Termination. The delivery of data to Merchant by Servicer further to the expiration or termination of this Agreement shall be made at a cost and on terms and conditions to be then agreed upon. If Merchant does not request the delivery of data within 30 days of the expiration or termination hereof or if Merchant and Servicer fail to agree on such cost, terms and conditions, Servicer shall, unless prohibited by law or the Card Brand rules, have the right to delete any such data found in Servicer's systems or otherwise under Servicer's control.

ARTICLE V - MISCELLANEOUS

5.1 Account Monitoring.

Merchant acknowledges that Servicer will monitor Merchant's daily deposit activity. Servicer may upon reasonable grounds suspend disbursement of Merchant's funds for any reasonable period of time required to investigate suspicious or unusual deposit activity. Servicer will make good faith efforts to notify Merchant promptly following suspension. Servicer is not liable to Merchant for any loss, either direct or indirect, which Merchant may attribute to any suspension of funds disbursement.

5.2 Forms.

Merchant will use only the forms or modes of transmission of Sales Drafts and Credit Vouchers that are provided or approved in advance by Servicer, and Merchant may not use such forms other than in connection with card transactions.

5.3 Indemnification.

Merchant will defend, indemnify and hold Servicer and its officers, directors, members, shareholders, partners, employees, agents, subcontractors and representatives harmless from and against any and all fines, penalties, claims, damages, expenses, liabilities or fees of any nature whatsoever, including attorneys' fees and costs ("Damages"), asserted against or incurred by Servicer arising out of, relating to or resulting from, either directly or indirectly: (a) a breach of the security of the system safeguarding Cardholder Information resulting in unauthorized access to Cardholder Information; (b) a breach of any representation, warranty or term of this Agreement, including, but not limited to, the data security provisions by Merchant, or any service provider, subcontractor or agent of Merchant; (c) the negligence, or willful misconduct of Merchant in the performance of its obligations under this Agreement, including, but not limited to, the data security provisions; (d) any violation of applicable federal and state laws, rules, regulations and guidance and Card Brand rules by Merchant; and (e) all third party claims arising from the foregoing. Notwithstanding the preceding, Merchant is not liable to Servicer if Damages are caused by, related to or arise out of Servicer's negligence, or willful misconduct, or Servicer's breach of this Agreement. Merchant will promptly reimburse Servicer for any assessments, fines, fees or penalties imposed by the Card Brand in connection with this Agreement, including the data security provisions, and authorizes Servicer to deduct any such sums from amounts to be cleared and settled with Merchant.

5.4 Records.

In addition to any records Merchant routinely furnishes to Servicer under this Agreement, Merchant will preserve a copy of actual paper Sales Drafts and Credit Vouchers and any written authorization

of the Cardholder for at least two years after the date Merchant presents the Transaction to Servicer. Merchant shall bear financial losses incurred due to inappropriate retention or loss of transaction receipts.

5.5 Requests for Copies.

Immediately after Merchant receives the request by Servicer, Merchant will provide to Servicer either the original or a legible copy (in a size comparable to the actual Sales Draft) of the paper Sales Draft and any other documentary evidence available to Merchant that Servicer reasonably requests to meet Servicer's obligations under law (including its obligations under the Fair Credit Billing Act) or otherwise to respond to questions concerning Cardholder accounts.

5.6 Compliance with Law.

Merchant will comply with all laws applicable to Merchant, Merchant's business and any Card Transaction, including without limitation all state and federal consumer credit and consumer protection statutes and regulations.

5.7 Fees and Charges.

Merchant will pay to Servicer the fees and charges set forth in Schedule A including any additional charges applied to Transactions that fail to meet Card Brand requirements for the lowest interchange levels. "Cost Plus Surcharge", as appears in Schedule A, is calculated by adding: (i) the interchange fee; plus (ii) applicable surcharge fees; plus (iii) up to 100 basis points for credit card Transactions and 100 basis points for debit card Transactions (as the case may be); plus (iv) access fees, dues and assessments as determined by Servicer.

Where applicable, Merchant shall also pay the following fees: *Voice/ARU Authorization*: \$0.95 per authorization request; *ACH Modifications*: \$25.00 per event; *ACH Return*: \$25 per return; *Operator Assisted Voice Auth.*: \$2.95 per call; *Dispute Resolution Fee*: \$25; *Third Party Helpdesk Calls*: \$5.00 per call; *Unsupported Terminals*: \$20 per call. *Security/Compliance Fee*: \$139.80 annually, if applicable; *PCI Non-Compliance Monthly Fee*: \$19.99; *Handling Fee*: \$69 for accounts approved yet inactivated. A monthly minimum of \$25 or 100 basis points on Merchant's approved monthly volume, whichever is greater, shall apply. If e-commerce accounts for 50% or more of Merchant's Transactions, as indicated in Merchant's Application Form, then, in consideration of the resulting risk, effort and expense incurred by ISO to provide services to Merchant given its sales profile, the parties agree that the monthly minimum shall continue to apply notwithstanding this Agreement's early termination for any reason other than a material uncured breach by ISO, and this for the balance of the then-current term. Pass-through Brand fees include Visa Acquirer Processing fee, Visa Misuse of Auth. fee, Visa International Service Assessment (ISA), Visa Zero Floor Limit fee, Visa International Acquirer fee, MC Acquirer Program Support fee, MC Cross Border fee, and the MC Network Access and Brand Usage (NABU) fee. Account will be debited through ACH or withheld from daily payments to Merchant for such amounts and for any other fees, charges or adjustments incurred or owed by Merchant hereunder. Upon 30 days written notice to Merchant, Servicer may change fees, including adding fees for additional services utilized by Merchant and/or increasing fees for any adverse change to Merchant's risk profile, as reasonably determined by Servicer.

With respect to American Express, in addition to those fees set forth in Schedule A, Merchant shall pay the following fees where applicable: *Technical Specifications of Non-Compliance Fee*: 0.75% of the face amount of the Charge; *Data Quality Fee*: 0.75% of the face amount of the Charge. *Data Incident Non-Compliance Fee*: refer to DSOP for applicable amounts; *Data Security Non-Validation Fee*: refer to DSOP for applicable amounts; *Existing AXP Merchant Access Fee*: 0.3% of the face amount of the Charge; *Amex Inbound Fee*: 0.40% of the face amount of the Charge; *Non-swiped Application-initiated Transaction Fee*: 0.30% of the face amount of each non-swiped Charge.

American Express may assess a *Data Pass Violation Fee* from Merchant as follows: (i) where charge volume is less than \$1,000,000, a fee of \$2,500 and warning specifying date of correction shall apply to the first violation and a fee of \$5,000 and final notice shall apply to the second violation; (ii) where charge volume is between \$1,000,000 and \$10,000,000, a fee of \$5,000 and warning specifying date of correction shall apply to the first violation and a fee of \$10,000 and final notice shall apply to the second violation and; (iii) where charge volume is above \$10,000,000, a fee of \$25,000 and warning specifying date of correction shall apply to the first violation and a fee of \$50,000 and final notice shall apply to the second violation.

American Express may also assess an *Excessive Dispute Fee* as follows: \$5 per dispute charge if the merchant is enrolled in the Immediate Chargeback Program or \$15 per disputed Charge if the Merchant is not enrolled in the Immediate Chargeback Program.

ISO will provide Merchant with monthly electronic statements reflecting the fees and charges to be paid by Merchant. Merchant must review the statements and inform Servicer of any errors within 60 days of the date of the statement. Servicer will have no obligation to provide refunds for errors that the Merchant fails to report within such 60-day period.

5.8 Security Interest.

To secure payment of Merchant's obligations under this Agreement, Merchant grants to Servicer a security interest in all now existing or hereafter acquired: (a) Transactions, Sales Drafts, Credit Vouchers and other items submitted to Servicer for processing by or for Merchant; (b) accounts receivable and payment rights relating to or arising from this Agreement, including all amounts due Merchant (including any rights to receive credits or payments hereunder); (c) accounts including without limitation all deposit accounts maintained with the Servicer or any institution other than Servicer, including the Reserve Account, in the name of or for the benefit of, Merchant or any guarantor of Merchant's obligations under this Agreement; (d) deposits, regardless of source, to Merchant's or any guarantor's accounts with Servicer or any institution other than Servicer, including the Reserve Account; (e) all deposits and all other property and funds deposited by Merchant or withheld by Servicer, including funds and property withheld as the result of security monitoring; and (f) proceeds of the foregoing. If Servicer reasonably determines that Merchant has breached any obligation under this Agreement, or that proceeds of Merchant's future card sales are unlikely to cover anticipated Chargebacks, credits, fees and adjustments, as reasonably determined by Servicer (whether because this Agreement has been terminated or for any other reason), Servicer may setoff or otherwise exercise its security interest without notice or demand by immediately withdrawing from or freezing any account or otherwise exercising its rights under this Agreement or those rights available under applicable laws, including the Utah Uniform Commercial Code, or in equity. In addition to the collateral pledged above, Servicer may require Merchant to furnish such other and different security as Servicer deems appropriate in its sole discretion to secure Merchant's obligations under this Agreement. Servicer may fully or partially prohibit withdrawal by Merchant of funds from Merchant's deposit accounts maintained with Servicer or financial institutions other than Servicer, pending Servicer's determination from time

to time to exercise its rights as a secured party against such accounts in partial or full payment of Merchant's obligations to Servicer. Merchant will execute any documents and take any actions required to comply with and perfect any security interest under this paragraph, at Merchant's cost. Merchant represents and warrants that no other party has a security interest or lien in any of the collateral pledged above, and Merchant will obtain Servicer's written consent before it grants a lien or security interest in that pledged collateral to any other person. Merchant shall not assign to any third party any payments due to it under this Agreement, and all indebtedness arising from Transactions will be for bona fide sales of goods and services (or both) at its business locations and free of liens, claims, and encumbrances other than ordinary sales taxes; provided, however, that Merchant may sell and assign future Transaction receivables to Servicer, its affiliated entities and/or any other cash advance funding source that partners with Servicer or its affiliated entities, without consent from any Card Brand. Notwithstanding the foregoing, Servicer prohibits Merchant from selling or assigning future Transaction receivables to any third party without Servicer's prior written consent.

5.9 Modifications to Agreement.

This Agreement is subject to amendment to conform with Card Brand regulations, as amended from time to time. From time to time Servicer may amend any provision or provisions of this Agreement, including, without limitation, those relating to the discount rate or to other fees and charges payable by Merchant by sending written notice to Merchant of the amendment prior to the effective date of the amendment, and the amendment will become effective unless Servicer receives Merchant's notice of written termination of this Agreement before such effective date. Amendments required due to changes in either Card Brand's rules and regulations or any law or judicial decision may become effective on such shorter period of time as Servicer may specify if necessary to comply with the applicable rule, regulation, law or decision. The term of this Agreement shall be automatically extended an additional three years in the event of a price decrease or the introduction of a new product or service used by Merchant (including any equipment upgrade), effective as of the date such price change is implemented or new product-service accepted by Merchant.

5.10 Warranty Disclaimer.

SERVICER MAKES NO WARRANTIES REGARDING THE USE, OPERATION OR PERFORMANCE OR NON- PERFORMANCE OF SOFTWARE AND SYSTEMS UTILIZED FOR THIS AGREEMENT, WHETHER EXPRESS OR IMPLIED, AND SERVICER EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE

5.11 Limitation of Liability.

Servicer's liability with respect to any Card Transaction may not exceed the amount of the Sales Draft in connection with the Transaction, less any applicable fees and charges. Servicer is not liable at all for any incidental or consequential damages whatsoever. Merchant waives all claims against Servicer for any loss, claim, demand, penalty, action, delay, cost or expense (including reasonable attorneys' fees) of any kind unless Merchant provides written notice to Servicer of the occurrence that gave rise to the alleged liability within 30 days after Merchant knew or should have known of the occurrence. In addition to what is provided herein, Servicer's cumulative liability towards Merchant for any reason whatsoever shall not exceed the amount of fees received by Servicer pursuant to this Agreement, for services performed in the immediately preceding six (6) months.

Merchant will indemnify and hold Servicer harmless from any claim relating to any Sales Draft paid by Servicer as may be made by anyone by way of defense, dispute, offset, counterclaim or affirmative action, or for any damages or losses that Servicer may incur as a result of Merchant's breach of this Agreement. Further, Merchant will reimburse Servicer for all expenses and costs, including attorneys' fees, with regard thereto.

5.12 Waiver.

Servicer's failure by Servicer to enforce one or more of the provisions of this Agreement will not constitute a waiver of the right to enforce the same or other provision in the future.

5.13 Written Notices.

All written notices and other written communications required or permitted under this Agreement will be deemed delivered immediately when hand-delivered or sent via facsimile or email and the sender obtains a fax or email confirmation receipt, and upon mailing when sent first class mail, postage prepaid, addressed as follows:

(a) If to ISO: Nuvei Technologies Inc., 5000, Legacy Drive, Suite 320, Plano, Texas, 75024, Facsimile: 877-669-5703, Attn: Loyalty Department;

(b) If to Merchant: At the facsimile number, email address or address provided as the billing address, and to the contact listed on the Merchant Application.

A written notice shall also be deemed sent and received if notification is given to the Merchant: (i) through any technological platform offered by Servicer and used by Merchant to access its account; or (ii) by way of Merchant billing statement, whether such billing statement is sent via a technological platform or mail.

5.14 Choice of Law; Jurisdiction.

This Agreement shall be governed exclusively by Texas law, without regard to its choice of law provisions. Merchant agrees that any legal action or proceeding arising out of or relating to the relationship between Servicer and Merchant shall be instituted solely in the state or federal courts of the State of Texas and hereby submits to the jurisdiction of such courts in any such action or proceeding. Merchant hereby waives releases and agrees not to assert any rights it may have under any foreign law or regulation that would be inconsistent with the terms of this Agreement as governed by Texas law. Merchant also waives its right to a trial by jury of any disputes arising from its relationship with Servicer.

5.15 Entire Agreement; Assignability.

This Agreement expresses the entire understanding of the parties with respect to the subject matter hereof and except as provided herein, may be modified only in writing executed by Servicer and Merchant.

This Agreement may not be assigned by Merchant, directly or by operation of law, without Servicer's prior written consent. Servicer may assign this Agreement, without notice to Merchant. This Agreement will be binding upon and inure to the benefit of the parties' respective heirs, personal representatives, successors and assigns.

5.16 Deposit Account.

Merchant will at all times maintain an Account at a bank that is a member of the Federal Reserve ACH system and will provide Servicer with proper authorization to debit the Account. All credits for collected funds and debits for fees, payments and Chargebacks and other amounts for which Merchant is liable under the terms of this Agreement will be made to the Account. Merchant may not close or change the Account without written notice to Servicer. Merchant will be solely liable for all fees and costs associated with the Account and for all overdrafts. Merchant hereby grants to Servicer a security interest in the Account to the extent of any and all fees, payments and Chargebacks and other amounts due which may arise under this Agreement, and Merchant will execute any document and obtain any consents or waivers from the bank at which the Account is maintained as requested by Servicer to protect its security interests therein.

5.17 Credit and Financial Inquiries; Additional Locations; Inspections.

Servicer may make, at any time, any credit inquiries which it may consider necessary to accept or review acceptance of this Agreement or investigate Merchant's deposit or Card acceptance activities subsequent to acceptance of this Agreement. Such inquiries may include, but are not limited to, a credit and/or criminal check of the business including its proprietor, partners, principal owners or shareholders or officers. Upon Servicer's request, Merchant will provide the written consent of any person for which an inquiry has been or is to be made if such person has not executed this Agreement and will provide any financial statements, income tax and business tax returns and other financial information as Servicer may consider necessary to perform initial or periodic reviews of Merchant's financial stability and business practices. Merchant may accept Cards only at locations approved by Servicer. Additional locations may be added, subject to Servicer's approval. Any party to this Agreement may delete any location by providing notice as provided herein. Merchant will permit Servicer, at any time and from time to time, to inspect locations to confirm that Merchant has or is adhering to the terms of this Agreement and is maintaining the proper facilities, equipment inventory, records and license or permit (where necessary) to conduct its business. However, nothing in this paragraph may be deemed to waive Merchant's obligation to comply in all respects with the terms of this Agreement. Servicer, its internal and external auditors, and its regulators may audit compliance with this Agreement, compliance with federal and state laws, rules, regulations and guidance applicable to the services, Card acceptance and Transaction processing, and data security provisions, including Card Brand compliance. Merchant will make available its records maintained and produced under this Agreement, and Merchant's facilities will be made accessible, upon notice during normal business hours for examination and audit. Nothing in this section may be construed to require Merchant to give access to its facilities, personnel or records in a manner that unreasonably interferes with its business operations. Each party will bear its expenses of any audit.

5.18 Marketing of Payment Card Services.

From time to time, Servicer may offer to Merchant certain additional products and services which may or may not be related to the processing of credit card Transactions. If such offers are made, Merchant may decline the offers or be deemed to have accepted the offers and be liable for payment therefor.

5.19 Force Majeure.

The parties will be released from liability hereunder if they fail to perform any obligation where the failure occurs by reason of any act of God, fire, flood, storm, earthquake, tidal wave, communications failure, sabotage, war, military operation, terrorism, national emergency, mechanical or electronic breakdown, civil commotion or the order, requisition, request or recommendation of any governmental authority, or either party's compliance therewith, or governmental regulation or priority, or any other similar cause beyond either party's reasonable control.

5.20 No Third Party Beneficiary.

No other person or entity may be deemed to be a third party beneficiary of this Agreement.

5.21 Exclusivity.

Merchant agrees that Servicer will be Merchant's exclusive acquirer for Visa, American Express, Mastercard and Discover transactions. Accordingly, Merchant shall not use the services of any Servicer, corporation, entity or person other than Servicer for authorization and/or processing of payment Transactions during the term of this Agreement.

5.22 Inconsistency.

In the event of any inconsistency between the terms of this Agreement and the Merchant Application, the provisions of the Merchant Application shall prevail.

A1.5 Conversion to American Express Direct Merchant. Merchant acknowledges that it may be converted from American Express Card

OptBlue program to a direct relationship with American Express if and when its Transaction volumes exceed the eligibility thresholds for the OptBlue program. If this occurs, upon such conversion, (i) Merchant will be bound by American Express' then-current Card Acceptance Agreement; and (ii) American Express will set pricing and other fees payable by Merchant.

A1.6 American Express as Third Party Beneficiary. Notwithstanding anything in the Agreement to the contrary, American Express shall have third-party beneficiary rights, but not obligations, to the terms of this Agreement applicable to American Express Card acceptance to enforce such terms against Merchant.

A1.8 Refund Policies. Merchant's refund policies for American Express purchases must be at least as favorable as its refund policy for purchase on any other Card Brand, and the refund policy must be disclosed to Cardholders at the time of purchase and in compliance with Law. Merchant may not bill or attempt to collect from any Cardholder for any American Express Transaction unless a Chargeback has been exercised, Merchant has fully paid for such Chargeback, and it otherwise has the right to do so.

A1.9 Establishment Closing. If Merchant closes any of its Establishments, Merchant must follow these guidelines: (i) notify ISO immediately; (ii) policies must be conveyed to the Cardholder prior to completion of the Transaction and printed on the copy of a receipt or Transaction record the Cardholder signs; (iii) if not providing refunds or exchanges, post notices indicating that all sales are final (e.g., at the front doors, by the cash registers, on the Transaction record and on websites and catalogs); (iv) return and cancellation policies must be clearly disclosed at the time of sale; and (v) for Advance Payment Charges or Delayed Delivery Charges, Merchant must either deliver the goods or services for which Merchant has already charged the Cardholder or issue credit for any portion of the Transaction for which Merchant has not delivered the goods or services.

PART THREE: ADDITIONAL TERMS AND CONDITIONS APPLICABLE ONLY TO MERCHANTS WITH UNIONPAY CARD ACCEPTANCE. IN CASE OF CONFLICT OR INCONSISTENCY BETWEEN PART THREE AND OTHER PARTS OF THIS AGREEMENT, PART THREE SHALL PREVAIL.

C1.1 Merchant undertakes to prominently display the UnionPay acceptance logos at their premises where Card transactions take place.

C1.2 Merchant agrees to accept all valid UnionPay-branded Cards.

C1.3 Except as permitted by the local regulator or UnionPay and unless an additional surcharge has already been imposed on other Card Brands, the Merchant shall undertake not to impose an additional surcharge on a UnionPay Cardholder; and shall accept UnionPay Cards at the same price and terms as cash.

C1.4 The Merchant shall not retain account numbers, PIN and other UnionPay Card transaction data and shall keep confidential all UnionPay Card information. Merchant shall not provide account information or transaction data to a third party other than Servicer or an institution designated by Servicer.

C1.5 The Merchant undertakes to be responsible for the storage and maintenance of payment terminals.

C1.6 If Merchant only accepts UnionPay Cards and does not accept any other Card Brand, then Bank shall not be a party to and shall not be bound by any provisions of this Agreement. ISO shall assume all rights and obligations of Bank herein and Bank shall have no liability to Merchant whatsoever. Merchant waives any and all rights it may have against Bank.

PART FOUR: TERMINAL BAILMENT

If Merchant has accepted to receive a terminal from ISO that is neither leased nor purchased, the following additional terms and conditions of this Part shall apply.

1.1 Bailment. ISO hereby agrees to bail to Merchant, the terminal(s) described in the Merchant Application Form ("Terminal"), subject to the terms and conditions hereof. The bailment term shall commence on the date of delivery and shall end upon termination: (i) by ISO upon five (5) days prior notice; (ii) by Merchant upon thirty (30) days prior written notice; or (iii) immediately and without notice where the Agreement is terminated.

1.2 Activation. Merchant understands and agrees that bailment of the Terminal is conditional upon: (i) Merchant actively processing, pursuant to this Agreement within thirty (30) days of the date of delivery of the Terminal; and (ii) continued processing under this Agreement.

1.3 Maintenance. Merchant shall at all times during the term of this Agreement maintain the Terminal in good operating order, repair, and condition; and protect same from damage or deterioration. Merchant shall not use Terminal for any purpose other than that for which it was intended under this Agreement.

1.4 Return. In the event of a termination of this Agreement, this bailment shall be deemed automatically terminated and Merchant shall, at Merchant's sole expense, immediately return Terminal to ISO in its original condition, save for normal wear and tear, failing which Merchant agrees to immediately pay ISO an amount equal \$600.

1.5 Delivery. Delivery shall be as of the time that Terminal is received by Merchant.

1.6 Representations and Warranties. AS REGARDS THE TERMINAL AND ANY DATA STORED THEREIN, ISO MAKES ABSOLUTELY NO REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, WRITTEN OR ORAL, AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, CONDITION, QUALITY, DURABILITY OR SUITABILITY OF THE EQUIPMENT, TITLE OR NON-INFRINGEMENT AND EXPRESSLY DISCLAIMS SAME.

1.7 Risk of Loss. Merchant assumes all risk of loss or damage to the Terminal as at the time of

delivery. Merchant agrees to indemnify and hold ISO harmless from and against all claims, liability, damage, loss or expenses which may occur to or arise from the Terminal during or after such time.

1.8 Entire Agreement. This Part, together with any documents to be delivered pursuant hereto, constitutes the entire agreement between Merchant and ISO pertaining to the bailed terminals and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written, of such parties.

1.9 Limitation of Liability: Amount. IN NO EVENT SHALL ISO BE LIABLE TO MERCHANT FOR ANY LIABILITY, WHETHER BASED UPON WARRANTY, CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, IN AN AMOUNT GREATER THAN THE WHOLESALE VALUE OF THE TERMINAL.

1.10. Limitation of Liability: Damages. IN NO EVENT SHALL ISO BE LIABLE TO THE MERCHANT FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, TREBLE OR OTHER INDIRECT DAMAGES, OR FOR LOSS OF PROFITS AND REVENUE, LOSS OF DATA OR LOSS OF USE DAMAGES, ARISING OUT OF THE MANUFACTURE, SALE, SUPPLYING OR FAILURE OR DELAY IN SUPPLYING OF THE TERMINAL, WHETHER BASED UPON WARRANTY, CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, EVEN IF AWARE OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES. UNDER NO CIRCUMSTANCES SHALL ISO'S AGGREGATE LIABILITY TO MERCHANT EXCEED THE TERMINAL VALUE INDICATED IN THE APPLICATION HERETO.

ISO and Merchant shall agree upon the equipment and services to initially be provided under this Agreement and may update and change the goods and services provided to Merchant by mutual consent.

1.2 Limited License. ISO hereby grants to Merchant a limited, revocable, worldwide, non-exclusive, non sub-licensable and non-transferable license under intellectual property rights owned or licensed by ISO, to use Gateway Services, provided however that:

- (a) such license is subject to all obligations and restrictions imposed on Merchant in this Agreement;
- (b) such license extends only to Merchant's employees and contractors, but only to the extent that such employees and contractors use the Gateway Services for the sole purpose of collecting payments on behalf of Merchant, and for no other purpose whatsoever;
- (c) such license extends only to Merchant's use of Gateway Services solely to perform the functions specified herein and in compliance therewith, and
- (d) while exercising such license, Merchant shall treat the Gateway Services as ISO's Confidential Information under this Agreement.

1.3 Limitations on Rights Granted. Except as expressly provided to the contrary in this Agreement, Merchant shall not, and shall not knowingly cause or permit any third party to use or reproduce Gateway Services. Merchant shall not, and shall not knowingly cause or permit any third party to disassemble, decompile, decrypt, extract, reverse engineer, or prepare a derivative work based upon the Gateway Services, or otherwise apply any procedure or process to Gateway Services in order to ascertain, derive, or appropriate for any reason or purpose, the source code or source listings for the Gateway Services, or any algorithm, process, procedure or other information contained in the Gateway Services. Except as expressly authorized herein, Merchant may not rent, lease, distribute, assign, sublicense, transfer, modify, alter, or time share the Gateway Services.

1.4 Trademarks. Subject to the limitations in this Agreement and subject to ISO's prior written approval, ISO grants Merchant the non-exclusive right and license to use ISO's trademarks (the "Trademarks") during the term of this Agreement solely in conjunction with the use of the Gateway Services. ISO grants no rights in the Trademarks or in any other trademark, trade name, service mark, product designation, business name or goodwill of ISO, except as licensed hereunder or by separate written agreement of the parties. Merchant agrees that it will not at any time during and after this Agreement assert or claim any interest in or do anything that may adversely affect the validity of any Trademark or any other trademark, trade name, service mark, product designation, business name or goodwill belonging to or licensed to ISO (including, without limitation registering or attempting to register any Trademark or any such other trademark, trade name, service mark or product designation). During the term of this Agreement, Merchant agrees not to use any trademark, trade name, service mark, product designation or business name likely to create confusion with a trademark, trade name, service mark, product designation or business name of ISO, except for the Trademarks expressly licensed hereunder. Upon expiration or termination of this Agreement, Merchant will immediately cease all display, advertising and use of all of the Trademarks and will not thereafter use, advertise or display any trademark, trade name, service mark, product designation or business name which is, or any part of which is, likely to create confusion with any Trademark or with any trademark, trade name or product designation of ISO.

1.5 Intellectual Property. "Intellectual Property" means all of the following owned by a party hereto: (i) trademarks, service marks (registered and unregistered), trade names, product designations and

business names and goodwill associated therewith; (ii) patents, patentable inventions, computer programs, and software; (iii) databases; (iv) trade secrets and the right to limit the use or disclosure thereof; (v) copyrights in all works, including software programs; and (vi) domain names. The rights owned by a party in its Intellectual Property shall be defined, collectively as "Intellectual Property Rights." Other than the express licenses granted by this Agreement, ISO grants no right or license to Merchant by implication, estoppel or otherwise to the Gateway Services or any Intellectual Property Rights of ISO. Each party shall retain all ownership rights, title, and interest in and to its own products and services (including in the case of ISO, in the Gateway Services) and all intellectual property rights therein, subject only to the rights and licenses specifically granted herein. ISO alone (and not Merchant) shall have the right, but not the obligation, to pursue trademark, service mark, copyright and patent protection, in its sole discretion, for the Gateway Services and any Intellectual Property Rights incorporated therein. Merchant will cooperate with ISO in pursuing such protection, including without limitation executing and delivering to ISO such instruments as may be required to register or perfect ISO's interests in any Intellectual Property Rights and any assignments thereof. Merchant shall not remove or destroy the proprietary, confidentiality, trademark, service mark, copyright or patent markings or notices placed upon or contained in any materials or documentation received from ISO in connection with this Agreement.

1.6 Merchants Responsibilities. Merchant understands and acknowledges that Gateway Services are merely a processing conduit. ISO has no control of or responsibility for accepting, processing or filling any orders for purchases by Merchant's customers, or for handling any related inquiries. Merchant shall be fully and solely responsible for verifying the accuracy and completeness of all card transactions submitted and processed via Gateway Services, including determining the appropriate action to be taken for each such transaction (approve, void, reject or decline). ISO shall not be liable for any improperly processed transaction or illegal or fraudulent access to Merchant's gateway account. Merchant agrees and acknowledges that it shall be fully and solely responsible for all activities conducted through Gateway Services. Merchant shall be fully and solely responsible for the content and promotion of its website. Merchant represents and warrants that it is the owner and/or that it has full right and authority to disseminate all information, data, graphics, text, video, music or other intellectual property which forms part of its Web site, which is provided by Merchant to persons purchasing goods or services from Merchant, or which is used by Merchant in its advertising and promotion.

If ISO uses third-party payment processing services providers, other than or in addition to ISO, Merchant shall verify ISO's list of payment processing services providers in order to determine if ISO can properly transmit the necessary Card information to Merchant's third party providers. Merchant acknowledges that ISO's list can be modified from time to time and must be verified by Merchant prior to being set up with ISO. Merchant shall obtain the proper authorization from Merchant's other provider and/or settlement bank to be able to use Merchant's Account for key entry transactions and transactions being processed over the internet or online. Merchant shall be responsible for credits, returns, disputes and all costs associated with data transmissions. Merchant shall obtain accurate Card and ACH transaction information and authorization from its participating customers, and will transmit said information to ISO via the internet or service agreed upon by Merchant and ISO.

1.7 Merchant Obligations. (1) Merchant shall provide a valid, working administrative email address on enrolment. Any changes to Merchant's account must be made via the administrative email address provided upon enrolment. The security of Merchant's account is dependent in part upon Merchant maintaining the security of such administrative email address. Merchant shall be fully and solely responsible for any unauthorized changes to Merchant's account via this email address. (2) Merchant will be given an ID code and password to allow Merchant to have access to Gateway Services. Merchant shall be fully and solely responsible for the establishment and maintenance of procedures to insure the control and confidentiality of identification codes and passwords and other access procedures ("Codes"). FAILURE TO PROTECT THE CODES MAY ALLOW UNAUTHORIZED PARTIES TO ACCESS THE GATEWAY SERVICES. Merchant is required to put in place internal procedures to limit such risk, including, but not limited to (a) changing the password at least once every 120 calendar days; (b) keeping every identification code under secure conditions; and (c) not keeping, in any form or in any place, any list of passwords. Merchant agrees to comply with any access or identification procedures and security protocols established from time to time by ISO, and if Merchant believes that any Code or security procedures has or may have become known by an unauthorized person (whether employed by Merchant or not), Merchant shall immediately notify ISO by telephone and confirm to ISO in writing such oral notification within 24 hours.

1.8 Authorizations. Merchant will obtain from each of its participating customers, the required payment information in proper form authorizing automatic debits to customers' bank accounts to transfer payment amounts to the Account. Merchant warrants that Merchant will properly warehouse all authorizations obtained from its participating customers and will provide such authorizations for inspection upon request by ISO or any regulatory body governing these types of transactions. Merchant hereby authorizes ISO to debit Merchant for fees and other charges as set forth in this Agreement.

1.9 Ownership. The ownership of the tokens created by ISO hereunder, if any, shall rest with ISO at all times.

1.10 Providing Gateway Services. During the term of this Agreement, ISO shall provide the Gateway Services and use its commercially reasonable efforts to provide the Gateway Services and maintain them in an uninterrupted and error-free fashion consistent with its practices in effect as of the date of this Agreement. However, the parties acknowledge that the Gateway Services are computer-network based and may be subject to outages and delays. In such an event, ISO shall use commercially reasonable efforts to diligently and promptly remedy any and all material interruptions. ISO will not be liable in any manner for any interruptions, outages, or other delays relating to the Gateway Services, including any attributed to ISO's vendors. ISO may arrange for any portion of the Gateway Services to be provided to Merchant by any of its parent, affiliate or subsidiary corporations, without any liability of such parent, affiliate or subsidiary to Merchant.

1.11 Confidential Information. Merchant acknowledges that certain confidential and proprietary information of ISO may be communicated to it (or its designees) by ISO, including without limitation information concerning the Gateway Services and the know-how, technology, techniques, business and marketing plans related thereto (collectively, the "Confidential Information") all of which are confidential and proprietary to, and trade secrets of ISO. Confidential Information does not include information that: (i) is public knowledge at the time of disclosure by ISO; (ii) becomes public knowledge or known to Merchant other than by breach of Merchant's obligations under this section or by breach of a third party's confidentiality obligations to ISO; (iii) was known by Merchant prior to disclosure by ISO other than by breach of a third party's confidentiality obligations to ISO; or (iv) is independently developed by Merchant without reliance on or use of Confidential

Information. As a condition to the receipt of the Confidential Information from ISO, Merchant shall: (i) not disclose in any manner, directly or indirectly, to any third party any portion of the ISO's Confidential Information; (ii) not use ISO's Confidential Information in any fashion except to perform its obligations hereunder or with ISO's express prior written consent; (iii) disclose ISO's Confidential Information, in whole or in part, only to its employees and agents who need to have access thereto for Merchant's internal business purposes; (iv) take all necessary steps to ensure that its employees and agents are informed of and comply with the confidentiality restrictions contained in this Agreement; and (v) take all necessary precautions to protect the confidentiality of the Confidential Information received hereunder and exercise at least the same degree of care in safeguarding the Confidential Information as it would with its own confidential information, and in no event shall apply less than a reasonable standard of care to prevent disclosure. Merchant shall promptly notify ISO of any unauthorized disclosure or use of the Confidential Information. Merchant shall cooperate and assist ISO in preventing or remedying any such unauthorized use or disclosure.

1.12 Indemnification. Merchant shall defend, indemnify, and hold harmless ISO and any of its officers, directors, agents and employees, from and against any and all claims, actions, proceedings and suits, and all related liabilities, damages, settlements, penalties, fines, costs or expenses (including reasonable attorneys' fees and other litigation expenses) incurred by ISO, arising out of or relating to ("Claim"): (a) any breach or alleged breach by Merchant of any representation, warranty, or obligation of Merchant set forth in this Merchant Agreement; (b) any damage or loss caused by negligence, fraud, dishonesty or willful misconduct by Merchant or any of its employees, agents or customers; (c) the reliability, accuracy, or legitimacy of payment data or purchase orders submitted by Merchant to ISO; (d) Card transactions submitted by Merchant to ISO and rejected by ISO or ISO; (e) claims by Merchant's Cardholders, including, without limitation, claims relating to the disclosure of Data; (f) any alleged or actual violation by Merchant of any Applicable Laws; or (g) any fines and/or penalties charged or to be charged to ISO by the Card Brands or any other entity. Upon written notice from ISO to Merchant, Merchant shall immediately undertake the defense of any such Claim, by representatives of Merchant's own choosing, subject to ISO's reasonable approval; and/or reimburse ISO for any expense or loss arising from or relating to a Claim.

1.13 Limitation of Liability. MERCHANT AGREES AND ACKNOWLEDGES THAT USE OF GATEWAY SERVICES ARE AT MERCHANT'S SOLE RISK. ANY GATEWAY SERVICES, GOODS OR SOFTWARE PROVIDED HEREUNDER ARE PROVIDED ON AN "AS IS", "AS AVAILABLE" BASIS, AND ISO GIVES NO OTHER EXPRESS OR IMPLIED WARRANTIES, REPRESENTATIONS, OR CONDITIONS OF ANY KIND, WHETHER STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO: WARRANTIES THAT THE GATEWAY SERVICES WILL BE COMPLETE, ACCURATE, SECURE, TIMELY, AVAILABLE, ACCESSIBLE, UNINTERRUPTED OR ERROR-FREE; IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, QUALITY OR FITNESS FOR A PARTICULAR PURPOSE; OR THOSE ARISING BY OPERATION OF LAW, COURSE OF DEALING OR USAGE OF TRADE. MERCHANT UNDERSTANDS AND ACKNOWLEDGES THAT ISO SHALL NOT BE LIABLE FOR ANY IMPROPERLY PROCESSED OR AUTHORIZED TRANSACTION, OR ILLEGAL OR FRAUDULENT ACCESS TO MERCHANT'S GATEWAY ACCOUNT OR DATA. THIS DISCLAIMER OF WARRANTIES CONSTITUTES AN ESSENTIAL PART OF THIS MERCHANT AGREEMENT. THIS SECTION SHALL SURVIVE THE TERMINATION OF THIS MERCHANT AGREEMENT.

EXCEPT AS OTHERWISE PROVIDED IN THIS MERCHANT AGREEMENT, MERCHANT EXPRESSLY AGREES THAT ISO SHALL NOT BE LIABLE FOR ANY LOSS (HOWEVER ARISING, INCLUDING NEGLIGENCE), ARISING FROM OR RELATED TO: (A) MERCHANT'S FAILURE TO PROPERLY ACTIVATE, INTEGRATE OR SECURE ITS GATEWAY ACCOUNT; (B) IMPROPER, ILLEGAL, UNAUTHORIZED OR FRAUDULENT TRANSACTIONS PROCESSED THROUGH MERCHANT'S GATEWAY ACCOUNT; (C) DISRUPTION OF MERCHANT SERVICES, SYSTEMS, SERVER OR WEB SITE BY ANY MEANS, INCLUDING WITHOUT LIMITATION, DDOS ATTACKS, SOFTWARE VIRUSES, TROJAN HORSES, WORMS, TIME BOMBS, OR ANY OTHER TECHNOLOGY; (D) ACTIONS OR INACTIONS BY ANY THIRD PARTY, INCLUDING WITHOUT LIMITATION, A MSP OR BANK; OR (E) UNAUTHORIZED ACCESS TO (i) DATA, CARDHOLDER INFORMATION (INCLUDING CREDIT CARD NUMBERS AND OTHER DATA), TRANSACTION DATA OR PERSONAL INFORMATION BELONGING TO ISO, MERCHANT OR ANY THIRD PARTY OR (ii) THE GATEWAY SERVICES, OR ANY SYSTEM OR PROGRAM ASSOCIATED THEREWITH; OR (F) THE LIMITATION OF THE FUNCTIONING OF ANY GATEWAY SERVICES OR SOFTWARE, HARDWARE, OR EQUIPMENT ASSOCIATED THEREWITH. ISO MAKES NO REPRESENTATION, WARRANTY OR GUARANTEE WHATSOEVER IN RELATION TO THIRD PARTY PRODUCTS OR SERVICES (INCLUDING THOSE OF A MSP). MERCHANT'S USE OF ANY SUCH THIRD PARTY PRODUCTS OR SERVICES IS AT ITS OWN RISK. ISO ASSUMES NO RESPONSIBILITY AND EXPRESSLY DISCLAIMS ANY LIABILITY FOR CLAIMS OF LOSS AND/OR FRAUD INCURRED RESULTING FROM THE USE OF OR CONCLUSIONS DRAWN FROM ANY THIRD PARTY PRODUCT OR SERVICE, REGARDLESS OF WHETHER OR NOT ISO IS A RESELLER OF OR REFERRAL AGENT FOR SUCH PRODUCT OR SERVICE.

1.14 Data Security Compliance. Merchant shall ensure that any of its agents or subcontractors to whom it provides Cardholder Information received from, created or received by Merchant on behalf of ISO, agrees to the same restrictions and conditions that apply through this Agreement to Merchant with respect to such information. Upon five (5) business days' notice or immediately upon any unauthorized access to, use or disclosure of any Cardholder Information, ISO may at its discretion, conduct an on-site audit and review of Merchant's procedures and systems.

1.15 Data Accuracy. Merchant shall provide ISO with data necessary for the electronic funds transfer ("collection data") in the form and at the times prescribed by ISO and shall make periodic checks and updates necessary to cause the collection data to be current and accurate at all times. The format and schedule requirements for delivery of collection data by Merchant may be changed by ISO during the term of this Agreement, and Merchant shall deliver collection data in conformity with changed requirements set forth from time to time by ISO. Merchant warrants to ISO that all data and entries delivered to ISO by Merchant will (a) be correct in form, (b) contain true and accurate information, (c) be fully authorized by its customer, and (d) be timely under the terms and provisions of this Agreement.

1.16 Use of Data. ISO shall have the right to use the data received from Merchant to help create, develop, operate, deliver, and improve its products, services, content and advertising, and for loss prevention and anti-fraud purposes.

1.17 Records. Merchant shall be solely responsible for compiling and retaining records of all transactional information for Merchant's records. Except as otherwise provided herein, ISO shall not have the obligation to store, retain, report or otherwise provide any copies of or access to any Data collected or processed by ISO or any of its suppliers. Merchant shall be solely responsible for all equipment, hardware and software required to access or use Gateway Services.

1.18 Fees. Merchant shall pay to ISO the fees listed in Schedule A, including all applicable taxes. ISO shall issue monthly invoices to Merchant in arrears. Merchant agrees to pay ISO for the Gateway Services via deduction of all fees and charges due directly from the Account via ACH. Merchant must review the invoices and inform ISO of any errors within 60 days of the date of the invoice. ISO will have no obligation to provide refunds for errors that the Merchant fails to report within such 60-day period.

1.19 Inconsistency. In the event of any inconsistency between the terms of this Part and any other terms and conditions of this Merchant Agreement, the provisions of this Part shall prevail.

1.20 Termination. The license to Gateway Services shall immediately terminate upon the earlier of: (i) termination of expiration of this Merchant Agreement; (ii) termination of the Gateway Services; or (iii) failure of Merchant to comply with any provisions of this Part. ISO may terminate Gateway Services for any reason with or without notice.

FOREIGN CURRENCY PROCESSING

1.1 Multi-Currency Processing Services (MCP). Multi-currency processing ("MCP") enables a Merchant to price its goods and services in various selected currencies (each an "Acceptance Currency") and the Cardholder then decides to purchase the goods and services in the currency of his/her choice (e.g. Euro) ("MCP Transaction"). The Cardholder provides the card details at the point of sale and completes the Transaction in the chosen Acceptance Currency (e.g. Euro). The Transaction is authorized and submitted to the Card Brands for clearing and settlement in the chosen Acceptance Currency. However, the Merchant receives settlement of the MCP Transaction in US Dollars in the same way as it receives settlement of other Transactions under the Merchant Agreement.

1.2 Acceptance Currencies. It is the Merchant's responsibility to set its prices in the various Acceptance Currencies. ISO can make available to the Merchant for download a daily currency exchange rate table. However, the Merchant can choose to set prices for its goods and services as it wishes, either by reference to such exchange rate table, or any other exchange rate source, or as localized pricing in a fixed amount in the Acceptance Currency (e.g. £29.99). MCP Transactions will be cleared through the applicable Card Brands in the selected Acceptance Currency. The MCP shall apply only to those Cards issued under the brands of Visa, Mastercard or such other Card Brands included within the MCP that are billed to the Cardholder in an Acceptance Currency.

1.3 Conversion of MCP Transaction. The conversion of the MCP Transaction from the Acceptance Currency to US Dollars will be effected based upon a daily exchange rate table produced for the conversion of transactions from the involved Acceptance Currency to US Dollars, which is obtainable from ISO. Upon authorization of a MCP Transaction, the authorization message returned to the Merchant will contain the US Dollar amount into which that MCP Transaction will be converted to assist Merchants in reconciling their accounting. Merchant acknowledges that because of the fluctuation in currency exchange rates, localized pricing of goods and services in foreign Acceptance Currencies is likely to result in the Merchant receiving different amounts in US Dollars from day to day, which may be more or less than the typical US Dollar price of the Merchant's goods or services. This risk is reduced if Merchant uses the daily exchange rate table made available by ISO.

1.4 Termination or suspension ISO reserves the right to add, delete or suspend any Acceptance Currency to or from the MCP, as the case may be, at any time without notice to Merchant. Further, ISO may terminate or suspend MCP services for any reason upon notice to the Merchant.

1.5 MCP Service Requirements. Merchant will comply with all reasonable instructions provided by ISO pertaining to Merchant's participation in MCP. Without limiting the foregoing, Merchant agrees to comply with the following specific MCP requirements:

(i) Disclosure of Foreign Currency Amount at Point of Sale: In order to comply with Card Brand regulations, the Merchant must display the amount of the MCP Transaction at the point of sale, including an Internet website buy page, in the various Acceptance Currencies that the Merchant wishes to offer, to enable the Cardholder to select the Acceptance Currency for the Transaction BEFORE providing his Card information for payment. Merchant agrees that it will at its sole cost use a point of sale device, or system which is certified or supported by ISO for use with the MCP.

(ii) Disclosure of Foreign Currency Amount on Receipt: In accordance with Card Brand rules, all MCP Transaction receipts must show the amount of the Transaction in the correct Acceptance Currency chosen by the Cardholder and such amount must be preceded by the appropriate international currency symbol, or currency code for that Acceptance Currency.

(iii) Timely Presentment of MCP Transactions: The Merchant must present all MCP Transactions for settlement to ISO within one day after authorization, in order to minimize the risk of loss attributable to movement in the currency exchange rates for the various Acceptance Currencies between the time that a Foreign Transaction is completed and the submission of the batch clearing and settlement files to ISO. For the avoidance of doubt, neither ISO nor any of its vendors bears responsibility for any foreign exchange loss attributable to an MCP Transaction processed using MCP.

(iv) Credits>Returns: In the event that Merchant issues a credit, reflecting either the partial or complete return or reimbursement of a MCP Transaction, Merchant must process said credit in the Acceptance Currency. In determining the US Dollar amount of the credit to be deducted from the Merchant's account, ISO shall use the MCP exchange rate applicable on the date of presentment of the credit or return transaction by Merchant. Due to the differences in the currency exchange rates applied to the underlying MCP Transaction and the related credit respectively, Merchant acknowledges that the final amount of the US Dollars and could well be more. Merchant acknowledges that it will be responsible for the full amount of the credit, as set forth in the Merchant Agreement.

(v) Chargebacks: A Chargeback incurred in connection with a Foreign Transaction will be transmitted to ISO by the applicable Card Brand in the Acceptance Currency and converted by such Card Brand into US Dollars at the Card Brand's designated foreign exchange rate. Due to the variances in currency exchange rates applied to the underlying MCP Transaction and the related Chargeback respectively, Merchant acknowledges that the final amount of the Chargeback will differ from the original settlement amount received by the Merchant for the MCP Transaction in US

Dollars and could well be more. Merchant acknowledges that it will be responsible for the full amount of the Chargeback, as set forth in the Merchant Agreement.

(vi) Merchant Options: Merchant shall indicate which currencies it wishes to use as Acceptance Currencies by checking the applicable box in Schedule A. Merchant can change options by written request to ISO not less than 30 days' notice.

1.6 Dynamic Currency Conversion (DCC)

(i) The Dynamic Currency Conversion enables certain of Merchant's customers, whose Cards are denominated in certain currencies ("Program Currency") other than US Dollars ("Foreign Cardholders"), to present a Card at Merchant's point-of-sale and to pay for a purchase in the currency of the Foreign Cardholder, based upon a rate of exchange determined by ISO, while Merchant receives settlement of the foreign transaction in US Dollars (collectively, a "Foreign Transaction").

(ii) Merchant acknowledges and agrees that a Foreign Transaction will be converted to the Program Currency in which the Card is denominated based upon an exchange rate in effect at the time of authorization for retail transactions and that the Foreign Transaction, as converted, will be cleared through the "Card Brands" in the currency in which the Card is denominated. The DCC program shall apply only to those Cards issued by Visa, Mastercard or under the brands of such other Card Brands included within the DCC program that are billed to the Foreign Cardholder in a Program Currency. Additionally, DCC may not apply to credit-return transactions, or certain Foreign Transactions that are referred to ISO for authorization or otherwise authorized by Merchant via telephone. ISO reserves the right to add, delete or suspend any currency to or from the DCC program, as the case may be, at any time without notice to Merchant. Further, ISO may terminate or suspend DCC services for any reason upon notice to the Merchant.

1.7 DCC Service Requirements. Merchant will comply with all reasonable instructions provided by ISO pertaining to Merchant's participation in the DCC program. Without limiting the foregoing, Merchant agrees to comply with the following specific DCC requirements:

(i) Program Disclosure: Merchant agrees to comply with all instructions and specifications applicable to DCC as provided by ISO from time to time. Without limiting the generality of the foregoing, Merchant shall follow DCC program procedures, as may be amended by ISO from time to time.

(ii) Foreign Cardholder Opt-In: Merchant shall, based upon the instructions provided by ISO and/or the Card Brands, from time to time, provide Foreign Cardholders with the ability to "opt-in," or consent to participate in DCC. In the event that a particular Foreign Cardholder elects not to opt-in, it is understood that ISO will process that Foreign Cardholder's transaction in US Dollars. Merchant agrees to make such reasonable modifications as ISO may request to increase the likelihood of Foreign Cardholders opting-into the DCC program. It is understood that any Foreign Transaction for which Merchant fails to provide a Foreign Cardholder with the opt-in procedure as described herein may be subject to a Chargeback as defined in the Agreement.

(iii) Timely Presentment of Foreign Transactions: Merchant acknowledges that the timely presentment of Foreign Transactions is necessary for participation in the DCC program. For the avoidance of doubt, Foreign Transactions must be presented within twenty-four (24) hours of the completion of the Foreign Transaction. Notwithstanding the foregoing, Foreign Transactions submitted by Merchants involved in the hotel, lodging and cruise industries must be submitted within twenty-four (24) hours of a Foreign Cardholder's checkout from the Merchant's establishment, failing which Merchant may be subject to additional charges.

(iv) Credits>Returns: Unless Merchant uses point-of-sale technology that is not capable of processing credit-returns in the Program Currency in the manner required by ISO, a credit-return to a Foreign Cardholder's account, reflecting either the partial or complete return or reimbursement of a Foreign Transaction, will be converted to the Program Currency using the exchange rate applicable on the date of presentment of the credit by Merchant, and that credit, as converted, will be cleared through the applicable Card Brand in the Program Currency in which the Card is denominated, and if such support is not in place, then such credit or return transaction will be processed in US Dollars, subject always to applicable Card Brand rules.

(v) Chargebacks: A Chargeback incurred in connection with a Foreign Transaction will be transmitted to ISO by the applicable Card Brand in the Program Currency and converted by such Card Brand into US Dollars at the Card Brand's designated foreign exchange rate. Given the potential variances in exchange rates applied to the underlying Foreign Transaction and Chargeback, Merchant acknowledges that the original amount of the Chargeback will likely differ from the original settlement amount received by the Merchant for the Foreign Transaction in US Dollars. Notwithstanding anything herein to the contrary, Merchant acknowledges that it will be responsible for the full amount of the Chargeback under the terms of this Merchant Agreement.

(vi) Interchange cost Merchant agrees that any increased Interchange cost attributable to the increase in the price of the goods or services in US Dollars prior to its conversion by the applicable service fee shall be borne by Merchant.

1.8 Indemnification. Merchant agrees to indemnify ISO, the Card Brands, and other card sponsors against any and all claims, demands, losses, damages, liability, actions, costs, judgments, arbitral awards and expenses (including reasonable attorneys' fees), to which ISO, , the Card Brands and other card sponsors may be subjected arising in whole or in part from the MCP and DCC services, any Card transaction involving Merchant, any act or omission of Merchant in connection with any such Card transaction, use of any third-party vendor, any breach of the Merchant Agreement by Merchant, or the Merchant's or any third-party vendor's violation of Applicable Laws or Card Brand operating regulations, or any return of goods, price adjustment or other dispute with or claim by a Cardholder against Merchant (whether or not such Foreign Cardholder's claim is valid), including, but not limited to, claims or losses of any Cardholder or of any third party. Without limiting the generality of the foregoing or any other provision in this Merchant Agreement, Merchant agrees to be solely responsible for its actions in honoring or refusing to honor Cards and in retaining Cards in accordance with Card Brand merchant operating procedures; and Merchant will indemnify, defend and hold the Card Brands, ISO, and other members of the Card Brands harmless from any claim, loss or liability arising from any injury to persons, property or reputation which occurs as a result thereof.
